UTFA 2024 Presidential Election - Communications Eblast Outage

Dear Colleagues,

Please note that there are five days left to vote in the 2024 Presidential Election and members must vote **before April 2 at noon**.

If you have not received a ballot, please consider the following:

1. Check your Junk, Spam, and Unfocused (Other) folders.
2. Make sure that you have not previously unsubscribed your email address from Simply Voting. If you have, send an email message to resubscribe@simplyvoting.com to resubscribe.
3. We advise you to add vote@simplyvoting.com to your Safe Senders list (especially if you have not voted with Simply Voting before).

Any member who has not received an electronic ballot should contact me at CRO2024@utfa.org after checking their Junk and Spam folders.

Further, this email is to advise UTFA members of an outage that occurred at 3:35 p.m. today with the email platform, Sendy, that UTFA uses. The outage lasted for about 3.5 hours, and as of 7:00 p.m. this evening, the Sendy platform was restored.

As per the [2024 UTFA Presidential Election Guidelines](#), statements from the candidates are to be sent out centrally by UTFA staff using Sendy. Due to today's technical outage, links included in the first email sent by UTFA were unresponsive and the second Candidate Statement could not be sent. In light of the outage, to ensure that both Candidate Statements were sent to the membership as close in time as possible, UTFA staff sent the communication via the Constituency listserv accounts instead of Sendy.

You can find both Candidate Statements on the [UTFA Presidential web page](#).

Sincerely,

Professor Susan Bondy
Chief Returning Officer

March 28, 2024

As of 7:00 p.m. on March 28th, the email outage has been fixed. All links and email platforms have been restored.

UPDATE: Email outage notice.

Please note that as of 3:35 p.m. on March 28th, we experienced an outage with our broadcast email platform. We are monitoring this outage and will provide updates as soon as we can. This will result in a delay in members being able to access the materials linked in the eblast platform. Thank you for your understanding.

UTFA Election Announcement and Candidate Forum Dates

Dear Colleagues,

The period for nominating candidates for the position of the President of UTFA has now ended. There are two nominees: Renan Levine and Terezia Zorić. As a result, there will be an election.

The President of UTFA is directly elected by the members of the Association. We will be using an online voting system, as we have for past elections. You will be receiving an email early next week with detailed voting instructions. Please note that the voting period will begin on Wednesday, March 20, 2024 at noon. Note also that online ballots often roll out rather than appear in all members' inboxes at the same moment. Reminders will be sent at intervals of three to five days to those who have not yet voted.

The candidates' statements appear on the [Presidential Election web page](#), for which there is a link from the [UTFA home page](#).

Two UTFA Presidential Candidates Forums will be held next week at which presidential candidates Terezia Zorić and Renan Levine will have an opportunity to outline their platforms. The Forums will be moderated by Hamish Russell, the speaker of UTFA Council.

Candidates will make opening comments, respond to questions, and make closing comments. Questions

should be sent in advance to CRO2024@utfa.org **by noon on Tuesday, March 19**. Time permitting, questions may be asked at each Forum. We encourage questions that are applicable to both candidates.

When:

Tuesday, March 19, 5:00 to 6:00 p.m.

Wednesday, March 20, 10:00 to 11:00 a.m.

Forums will begin on the hour.
