An issue of fair pay for recent faculty and librarian hires

The University Administration is excluding faculty and librarians hired after June 30, 2023, from Across-the-Board (ATB) salary increases recently awarded by Arbitrator Gedalof. UTFA members have organized a petition demanding that the Administration apply retroactive ATB salary increases to all recently hired faculty and librarians. If you are a faculty or librarian hired after June 30, 2023, we encourage you to *read and sign the petition*.
