Academic Freedom in Canadian Postsecondary Education: A Survey of Professors, Lecturers and Unions

Dear UTFA Colleagues,

This item has been brought to our attention by CAUT. If you are interested in participating, please complete the survey by April 1, 2026.

The France-Quebec Chair on Contemporary Issues in Freedom of Expression (COLIBEX) is asking academic staff to complete a Survey on Academic Freedom. The survey, supported by the Fonds de recherche du Québec and the Social Sciences and Humanities Research Council, is intended for academic staff in postsecondary education in Canada, with a special section for colleagues working as academic staff association representatives.

CAUT has collaborated with COLIBEX previously and the survey results will be of great use for us. I would be very grateful if you could fill out the survey and share with your members and colleagues. The deadline for responses is **April 1, 2026**.
