St Michael's Faculty Support Strike Action

January 10, 2018

On Friday, December 8, 2017 the unionized faculty and librarians of the University of St. Michael's College (represented by the University of Toronto Faculty Association) voted 86.4% in favour of authorizing a strike, if necessary. Representatives of UTFA and USMC have been in bargaining and provincial conciliation since August 2017. The outstanding issues are job security for faculty, language concerning diversity in hiring procedures, and a fair and equitable monetary settlement. Their next conciliation meeting is scheduled for January 19, 2018.
