Elder Care: The Role of the LHIN for the Caregiver (UTSC)

This workshop presented by the Central East Local Health Integration Network (LHIN) will:

- Discuss in-home and community services available to assist you in providing care to an elderly person
- Provide you with information on the application process for admission into a long term care home and other community housing options
- Address caregiver stress and burnout with a focus on proving specific coping strategies

Facilitator: Maureen McGowan, Community Education and Outreach Representative with the Central East Local Health Integration Network

U of T students, staff, faculty, and their partner/spouse are welcome to attend. Please let us know if you have any mobility challenges so we can accommodate your needs.
