Message from UTFA regarding Flight PS752

January 9, 2020

On behalf of our members, we at the University of Toronto Faculty Association convey heartfelt condolences to the families, friends, and colleagues of the eight members of the University of Toronto community, including six of our students, who lost their lives in the crash of flight PS752. The news of the tragedy is all the more wrenching for the high number of young people who died, many of them students from various institutions in Canada.

The eight members of the U of T community who died in the crash:
