Use Caution when Choosing Dial-In Option in Bb Collaborate: Faculty of Arts and Sciences

March 21, 2020

University of Toronto Faculty of Arts and Science

The Dial-In option for Bb Collaborate is based on a US-based phone number and users (including students) will incur long-distance charges in US dollars. Joining via the browser is strongly recommended.

Instructors can disable the dial-in option in the settings of your Course Room or Scheduled Session by unchecking the box for “Enable session telephony.”
