

Help avert a strike! Support high-quality university education in the North and Simcoe County!

What supporting high-quality university education means:

- Smaller classes and more course options for students
- Innovative programs responding to emerging needs of a modern economy
- High-quality research and research opportunities for students
- Recruitment and retention of academic talent to Lakehead University
- Overall, a larger and more positive impact on local communities and economies!

Scan and sign to send an email to the Lakehead University Board of Governors and show your support for a high-quality education.
