One of those on the list will be a member of the Executive (or failing this, a Past-President) and one or two on the list will have been members of the Nominating Committee the previous year. Council will elect a fifth member of the Nominating Committee at the January Council meeting. The Nominating Committee will be approved by Council at that January meeting. The committee shall choose one of its members as Chair.

The Nominating Committee shall be appointed no later than February 1, allowing at least eighty (80) days to follow for deliberations and submission of the Committee's slate of Executive nominees by no later than May 1.

The Chair of the Nominating Committee will ask those members of the Executive whose terms are expiring, but who have not reached the six-year limit for their positions, if they would like to continue for another term. If they are interested in continuing in that position, incumbents may be nominated according to the rules and procedures set out in...
this Article and Article 9 of the Constitution. The Chair of the Nominating Committee will inform Council of the decisions of the current Executive, so that members of Council have ample time to recruit those UTFA members who are interested in running for any of the positions on the Executive Committee.

10.4 In compiling a slate of nominees pursuant to Article 9.2 of the Constitution, the Nominating Committee shall solicit and consider recommendations from the incumbent President and Executive Committee members, as well as Council.

The nominees will be colleagues who can be relied upon to be effective, responsive, creative and dedicated and also have the understanding of what it takes to have a responsible position in a collegial organization and to help enhance trust among colleagues. The Nominating Committee will make every effort to ensure that the proposed slate of nominees reflects the diversity of the Association’s membership as far as possible with respect to employment category, discipline, campus and recognized equity groups. As part of that process, the Nominating Committee will attempt to recruit new people to the Executive Committee. The Nominating Committee will make every effort to ensure that there are at least sufficient nominees to fill all vacancies.

10.5 To enable the Nominating Committee to have clear discussions with the potential nominees about the positions, the Nominating Committee will provide information about (i) what the position entails based, for example, on comments from the incumbent, (ii) any description of the position that occurs in the Constitution and By-Laws, and (iii) the release time and stipend normally or likely to be associated with the position (but subject to change as permitted in Article 11).

10.6 The Nominating Committee provides an important communication and feedback mechanism supplementing the work of Council and the Executive Committee and, as a result, the Nominating Committee is encouraged to make suggestions relating to the work of the Nominating Committee, to be considered by Council the following year (e.g. through a Constitutional Review Committee).

10.7 A slate of nominees from the Nominating Committee shall be communicated in writing and by electronic-mail to all members of Council no later than May 1. In no way shall the recommendations of the Nominating committee be interpreted as other than recommendations. After the Nominating Committee has communicated the slate of nominees, nominations will be accepted until May 10, allowing members of Council time to propose additional nominations in writing. A minimum of two members of Council shall be required to nominate any additional Executive nominees (i.e. other than nominees proposed by the Nominating Committee). All nominees are expected to supply a short (maximum of one page) statement that outlines their goals for serving on the Executive Committee in that position (alternatively, the nominee may describe their goals orally at the May Council meeting). After the close of nominations, the full list of nominees (i.e. including the slate proposed by the Nominating Committee and any additional nominees), shall be communicated in writing and by electronic mail to all members of Council. Council shall retain the sole authority to elect the Executive Committee.

10.8 A candidate for an Executive Committee position (other than the President) may choose to serve for a one-year or a two-year term, but must declare his or her intention (one-
versus two-year term) prior to May 1 for a candidate being considered for recommendation by the Nominating Committee, and prior to May 10 for any additional candidates.

10.9 At the first meeting of Council (no earlier than May 18) after the Annual General Meeting, Council shall appoint the Executive Committee (by ballot when necessary) from the slate of Nominating Committee nominees as presented no later than May 1 and nominees as received from members of Council by May 10.

This allocation will be subject to approval, with or without alteration, by Council. Every effort will be made to finalize the allocation applicable for the upcoming year no later than the February Council meeting. It is the expectation that the approved allocation will apply for the next academic year (i.e. commencing July 1), unless there are exceptional circumstances leading the Executive Committee to recommend, and Council to approve, the alteration of the previously approved in-year allocation of release time. Release time for any Executive Committee position will not normally exceed 0.8, except in exceptional circumstances and upon Council approval.

11.2 Stipends will continue in effect for individual Executive Committee positions, but are subject to adjustment by Council. Any such adjustment will normally not take effect until the next academic year (i.e. commencing July 1).
